

Mon
école, ma
ville

Our college from above. It has the shape of a mill with its wings, because in Saint François and in the mainland, there were many mills for sugar cane
Mahé

Moulin Marie-Galante

One of the most important people in the college . I present to you even Mrs Cesarus, the principal of Alexandre Macal.

Here is the interior of his office but it is better not to be found here.

Lola

One of the places I like the most about my college is the forum. So beautiful and big there is a glass ceiling.

Kyliane

Here is the CDI, the Library where we are going to research or just read. The room is air conditioned.

SAINT-FRANÇOIS

A short visit from Saint-François

In the beautiful balnéaire resort of Saint-François, we have a mayor, Bernard Pancrel, elected in 2020. The town hall is located next to the church and the war mémorial of the 1st world war.

These are the emblems of the city. Sea, Sun and smiles
